### FISCAL ANALYSIS

#### Assumptions:

Section 5-5-217, MCA, outlines the process to be used by the Legislative Services Division and the Legislative Council in the selection and assignment of interim studies to interim committees. Immediately following a legislative session, each legislator must rank (in the order of importance to the legislator) a list of study requests adopted during the session. The Legislative Council reviews the priority lists and, considering the budget and staff resources approved in HB 2, designates the studies to be assigned to interim committees.

SJR 2 will be considered in the normal course of selection of studies following the 2009 Legislative Session.
